

# Come to Dinner!

World Christian Broadcasting's *Spring Dinner* always provides a delightful and informative evening. But this year it promises to be a special treat.

For the first time in many years Kevin and Nancy Chambers will be joining us for our Spring Dinner. As our Vice President of Engineering, Kevin is the person who designed and oversaw the building of the Madagascar World Voice station. The Chambers \* have been unable to attend a World Christian Broadcasting dinner for many years, so their presence this year will be a special treat.

Andy Baker, Vice President of Development, will be speaking at the dinner, giving an update on highlights of World Christian Broadcasting's past year. Among other topics, he will be giving the latest news about the "Pierce the Darkness" capital campaign he announced last year.

Do reserve Thursday night, April 20, and join with hundreds of others who will gather at the Franklin/Cool Springs Embassy Suites at 6:30 PM for a celebration of what has happened over the past year and a challenge for what you can do to brighten up the future for a land full of spiritually-hungry people. For a reservation you may email: [kcaudill@worldchristian.org](mailto:kcaudill@worldchristian.org) or call: 615-371-8707. Invitations will also be sent.

We look forward to seeing you there.
